Posted Order- Model Aircraft/Unmanned Aircraft Systems (UAS)/Glider Use

Whereas: The dramatic growth and popularity of UAS (Drones) within the Santa Cruz District has numerous negative impacts to the special resources, park operations, and the unique visitor experiences afforded by the District. 2. Exceptions include:
 - a. Seacliff State Beach: above the field on the Southern end of the primary day use parking lot.
 - b. Sunset State Beach: non-motorized gliders at the designated glider-port located across from the South campground.
 - c. Events authorized by Special Event or California Film Commission permit.Any use is subject to closure based on conditions as determined by a State Park Peace Officer.
3. The District Superintendent, or his designee, may grant exemptions to this order as determined necessary for the proper administration of the park, and to protect the safety and welfare of its visitors, employees, wildlife and resources. All exemptions, except for emergency personnel, must be obtained in writing. Requests for exemptions

may be made by contacting the District Superintendent, Santa Cruz District, 101 N. Big Trees Park Rd., Felton, California 95018.
